Roundtable Staff & Helpers!

The Roundtable Staff is a group of adult volunteers who want to continue to help the program grow providing informational training to Cub Scout Leaders.

Helpers are adult volunteers who wish to participate in one or two meetings.

Do you have any ideas that you think would help improve Cub Scout Roundtable? Are you an experienced leader interested in joining the Cub Scout Roundtable Staff or as a Helper? If so, or if you have questions, please come to a Roundtable. We will be glad to help!

Training Topics:

The BSA National Office sets monthly themes to help the Den and Pack Leaders provide a quality program for their Cub Scouts. We set our District Cub Scout themes to match National one month in advance to even help you more with your program!

The following list has the monthly themes set by National. We will provide information about each along with information about special District and Council activities at our Roundtables. Please Come!
